

NUVOLINA LUCANA

Cod. documento:
Rev. 0 dated ..0..2017
Page 1 of 1

TECHNICAL CHARACTERISTICS

Format	Tyles
Code	NL
Trade mark	Fresca Italia Srl
EAN code product	8054890120029
EAN code package	
Customs tariff code	04069093
Storage temperature	2-5 °C
Expiry date	60 days
Plant ID number	I 17 88

ORGANOLEPTIC CHARACTERISTICS

The cheese Nuvolina lucana owes its name to the delicacy and lightness that sets it apart. Unique, produced from sheep milk coming from carefully selected herds, cheese has a soft Pearl grey colour with a delicate flavor. On the palate it is possible to appreciate the scent of mountain blooms. Nuvolina lucana goes very well with raw vegetables and can be a great starter. It goes perfectly with a glass of prosecco and a drizzle of honey.
